

Michigan Healthcare Freedom's

Internship for Hillsdale Students

Sponsorship Information

We are so excited to share with you our very first internship program with Hillsdale College!

The goal of this internship is for students to learn to apply constitutional principles to health policy by participating in class time and the HEAL Michigan Project.

Sponsorship funds are to support student interns learning:

- to grasp health industry and regulatory trends;
- to post on the MHF Forum and write blog articles;
- to read and analyze bills for the next MHF Report Card;
- and to support associated website and operating expenses.

Our **goal is to raise \$ 12K** for this semester by September 20, 2024.

Your support for the MHF Internship Program equips the next generation with health policy literacy.

We are asking for your support.

How can you support us?

Family and individual sponsorship amount of **\$ 100** supports texts for 1 intern.

Business Sponsorship Levels:

- **\$ 250** supports 1 health policy class for interns.
- **\$ 500** supports 1 week of coaching practical skills.
- **\$ 1000** provides 1 semester of essential web support.

All Sponsors will be recognized by:

- Promotion on MHF website (logo and link to your website)
- Promotion on MHF social media (Blog articles and Facebook)

Please complete the form (next page) and return before September 20th!

Thank you for informing Michigan health policy with us!
