Michigan Healthcare Freedom Mission

Our mission is to help the people of Michigan take back their healthcare.

We address individual frustration with the expensive system by providing facts and constitutional solutions.

MHF empowers citizens to retake control through honest conversations with their state senators and representatives.

MHF Vision

We all benefit from less expensive healthcare.

Simpler state law is the answer.

2025 Reviews

“Appreciation and Applause to MHF for keeping the public informed!!!”

“MHF is a voice that helps us cut through the noise and get to the heart of healthcare issues.”

“The information is current and affects all of us, but especially those like me who work in healthcare.”

“Community Forum, newsletters, and scorecards make complicated issues accessible ... something most organizations never manage to do.

It is a small team doing important work, and I am proud to support them!”
